2 SOAPBOX DESIGN REGULATIONS:

2.1 Your soapbox should not exceed 1500mm in width.

2.2 Should not exceed 100kg in weight (not including the driver/passenger). We will be weighing each soapbox at registration; we will be strict on this due to safety restrictions.

2.3 Driver's eyeline must be a minimum of 70cm measured from drivers eye-line, when seated, to the road surface. Drivers to remain seated at all times.

2.4 The maximum length of your soapbox should be 2500mm.

2.5 There must be no sharp edges inside or outside of your vehicle, or anything that could cause damage to yourselves, spectators or marshals in the case of a crash. This means no glass or Perspex that could shatter. Accessories, e.g. lights, speakers or screens must be integral to the bodywork and affixed in a permanent matter.

2.6 Seats must be securely bolted to the soapbox.

2.7 Wheel's diameter should not exceed 67cm.

2.8 Should not have any mechanical parts to increase its speed (no catapults, pedals, jet or any other engines).

2.9 Must have a rear wheel(s) braking system as a minimum. Disc brakes are recommended, and brakes will be checked. Braking must operate on at least two wheels on the same axle and be effective to hold stationary on the starting ramp.

2.10 The soapbox must be family friendly in design. It is deemed inappropriate; you will not be allowed to race.

Rules and Regulations 2023

4 TIMINGS OF THE DAY:

4.1 Racers must arrive to register at the junction of Wellcombe Crescent/Upper Dukes Drive—please see the arrival times document for your specific allocated time.

4.2 Vehicle check to be conducted by our team/waiver agreement to be signed when you arrive at your registration time. Racing wristband to be given at registration.

4.4 The races begin at 12:00 on Upper Dukes Drive near the junction with Wellcombe Crescent. Please line up on the left hand side of the road. Please be aware that if you are not at the start line on time, you will be required to wait until the next available opportunity.

4.5 Teams must follow the instructions of the safety officials, marshals and race committee.

4.6 The soapbox and all remains must be removed immediately after the soapbox run. Your fastest time will be your result.

4.7 After crossing the finishing line, drivers will need to enter the run off area and apply their brakes and depart from the track under the marshal's instructions. At least one team member must remain at the finishing line to assist the driver and ensure that their soapbox proceeds immediately to the pits.

4.8 Soapboxes and drivers will be scrutinised in the pits, and prior to each run and at any other time, before being allowed to participate.

4.9 The start will be from a starting grid on Dukes Drive, near Wellcombe Crescent. Two team members will act as pushers to provide momentum. The starting grid will be marked, no pushers may pass. An infringement of this will incur a penalty of five seconds being added to the offending team's time. The starter's decision is final.
